Affidavit of Leon Bouriev

My name is Leon Bouriev. Konstantin Kashper and I were friends since about 1995 until his death in January 2017. We have been good friends since high school. From about 1995 to sometime in January 2017, I have been on average at least once a week in a moving motor vehicle in which Konstantin was either the driver or a passenger. The last time was about the week before Konstantin Kashper's death when we went together to a car show. Konstantin Kashper always, absolutely always, wore a seatbelt. His wife's Anna's description of Konstantin Kashper being a fanatic about wearing seatbelts is correct.

Signed under the pains and penalties of perjury this

day of January 2019.

A handwritten signature in black ink, appearing to be 'Leon Bouriev', is written over a horizontal line.

Statement of Slava Glikberg

My name is Slava Glikberg. Konstantin Kashper and I were best friends in high school and in adulthood. I have been countless times in a moving vehicle in which Konstantin was either the driver or a passenger. The last time we were in a motor vehicle together was a few years before Konstantin's death. Konstantin Kashper always, absolutely always, wore a seatbelt.

Sworn under the pains and penalties or perjury this day 6th of January 2019.

Konstantin Vaysband

Konstantin Vaysband, Anna Kashper is my sister. Konstantin Kashper was my brother-in-law. I have been in a motor vehicle many times in which Konstantin Kashper was either a passenger or driver. The last time Konstantin Kashper and I were in a motor vehicle together was about a year ago. After Konstantin Kashper died, Konstantin Kashper always, absolutely always, wore a seat belt.

1st day of January 2019.
